

(2) When payments of Veterans Educational Assistance, Pell Grants, and Supplemental Educational Opportunity Grants are made to the training provider, instead of the individual, and are used for training costs, such payments shall be taken into account as direct payment of the training costs under other Federal law for the purposes of this section.

(5) *Section 236(a)(7) of the Act.* (i) *In general.* Paragraph (7) of section 236(a) of the Act provides that a training program shall not be approved under the Act if—

(A) all or a portion of the costs of such training program are paid under any nongovernmental plan or program,

(B) the adversely affected worker has a right to obtain training or funds for training under such plan or program, and

(C) such plan or program requires the worker to reimburse the plan or program from funds provided under the Act, or from wages paid under such training program, for any portion of the costs of such training program paid under the plan or program.

(ii) *Application.* Paragraph (7) of section 236(a), which is implemented in paragraph (b)(5) of this section, reinforces the prohibition in §617.22(h) against approval of a training program under subpart C of this part if the worker is required to pay a fee or tuition. The provisions of paragraph (b) and paragraph (h) of this section shall be given effect as prohibiting the approval under subpart C of this part of any training program if the worker would be requested or required, at any time or under any circumstances, to pay any of the costs of a training program, however small, from any TAA funds given to the worker or from any other funds belonging to the worker from any source whatever. Aside from this stringent limitation, however, paragraph (7) of section 236(a) of the Act implicitly authorizes training approved under this subpart C to be wholly or partly funded from nongovernmental (i.e., employer, union or other private) sources.
